Team selection is completed by our Playing Committee on Monday evenings. Therefore it is important to notify the club's team secretary with your availability for the coming weekend before 7.00PM. If selected you will receive an email notification.

No one is guaranteed selection in any particular team. The club expects players to "play where picked" meaning play in the team the Playing Committee has chosen them to play in. It is important that this is followed as it is crucial for the smooth running of the club.

There are many factors to be considered when the playing committee selects the teams for a weekends fixtures. Many of these factors may not be apparent to those not selecting the teams. However, if you are unhappy with selection you should speak to your captain or the Playing Committee Chairman.

## What to do if I can play?

The club understands that that situations can change from week to week and that is may be necessary to "drop out" after previously making yourself available for selection. If you are unable to play you should notify your captain or Team Secretary **as soon as possible**. However it does not mean that this should be a regular occurrence and a record of drops out will be kept by the Playing Committee with these affecting future selection.

## Match day:

You will usually be expected to arrive at the ground for home games at least a hour before your game starts. It will be necessary to meet earlier if playing away. The meet time for your game will be included within the notification email you received confirming your selection. In the event of bad weather, you should contact your captain to confirm whether the game is still playable. Match fees are payable for all games and payment should be made on the day of the game as below.

Saturday £10.00 - Adults

Saturday £7.00 - Academy Members & Unemployed

Sunday £7.00 - All members

When paying your match fee you should be asked your availably for both Saturday and Sunday for the following weekend. Your payment and your availably is recorded on the team sheet for the match. It is important that the information you provide in correct and if anything should change you contact the team secretary to inform them that you are/are not now able to play, preferably before the selection meeting (Monday 7.00PM).
